Dr. Rebecca Lee MH

李樂詩博士

Dr. Rebecca Lee Lok-Sze MH is a polar scientist, Hong Kong explorer, adventurer, and the founder of the Polar Museum Foundation. Dr. Lee is the first Hong Kong woman and explorer to set foot on all three poles of the Earth. She has made significant contributions over the past 30 years to polar exploration, research, environmental protection, and education. In recent years, Dr. Lee has been frequently invited to give public lectures to share her experiences and insights in polar exploration and environmental protection, and to encourage young people to face their lives with a positive attitude, and care for and love the earth.

李樂詩MH是一位極地科學工作者,香港旅行家和探險家,極地博物館基金創辦人。李博士是首位踏足地球三極的香港人及女探險家,於過去30年對極地考察、研究、環保及教育作出不少貢獻。

近年,李博士經常應邀為公眾及學生作公開講座,分享她在極地探險及推動環保工作的經歷和體驗,藉此鼓勵年青一輩以積極態度面對人生,關心及愛護地球。
